

# Bulk waste collection

Please place your bulk waste safely on the footpath over the weekend prior to the date below:

Collection will commence from the above date and takes one week.

**Place your waste into 4 separate piles on the footpath**

E-waste

Green waste

Metals

Other bulky items

Piles collected separately

Mattresses collected separately

**To a combined total of one box trailer load or two cubic metres**

Council will only collect the materials outlined on the back of this notice. Waste materials that are outside these guidelines will be left for you to remove.

**Please see over for details.**

Please place items on the footpath safely and leave enough room for pedestrians.

**sort it right**

# Bulk waste must meet the following conditions or it will be considered illegal waste and fines may apply

## E-waste (electronic waste)

- ✓ Computers, printers and fax machines (including cartridges)
- ✓ TVs, stereos, DVD and video players

**Bulk waste piles containing asbestos, fibro sheets/planks vinyl or linoleum will not be collected**

**To find out how to dispose of unacceptable items or for more information about Council's waste services please call 4921 0333 or go to [www.lakemac.com.au](http://www.lakemac.com.au)**

- For safety reasons doors and/or lids must be removed from whitegoods and plugs removed from electrical cords.
- It is the householder's responsibility to ensure confidential information is removed from computers.
- Donate your quality items to charity or contact Council about holding a **Super Street Sale** with your neighbours.

**Find out your bulk waste dates at [my.lakemac.com.au](http://my.lakemac.com.au)**
