

## LIVING SMART FESTIVAL BACK FOR 2021

*The Living Smart Festival is set to make a rousing return in 2021 after a year's hiatus due to COVID-19, with a weekend of celebrations on the shores of Lake Macquarie.*

I'm so excited to see the return of this landmark event, recognised as one of Australia's largest sustainability-themed festivals.

Held 17-19 September, the festival will include a Friday night Feast for the Senses dinner under the stars, featuring a sustainably sourced, seasonal menu and live entertainment.

Gold Logie-winning television personality and all-round great bloke Costa Georgiadis is back for Saturday's activities by popular demand, along with a range of

workshops, demonstrations and prominent and innovative personalities in the field of sustainability.

And on Sunday, Speers Point Park will be filled with the sounds of fantastic live music across multiple stages.

One of the things I love most about Living Smart is the way it brings the local community together.

I can't wait to see you there!

# PLANS TO REVITALISE FORESHORE MOVE AHEAD

Toronto foreshore is set to undergo a transformation following the adoption of the Toronto Foreshore Master Plan.

Featuring a reinvigorated foreshore complete with a continuous waterfront pathway, an expanded playground, a new town green, improved connections and an expanded cafe, the multi-million dollar revitalisation will be rolled out in several stages.

Stage one will see a new town green area with a pavilion, terraces and open foreshore space constructed.

Other features planned for the foreshore include:

- an expansion of the existing playground including water play and learning features
- a new pathway along the lake's edge and improved pedestrian connections
- an expanded cafe area with shaded pavilion
- the flexibility to host events
- a new barbecue and picnic facilities.

## MEET MATT HALL

Lake Mac local business operator Matt Hall spends much of his life in the sky.

A third-generation pilot, he has served in the Royal Australian Air

Force as a fighter combat instructor and was the first Australian to compete in the Red Bull Air Race World Championship.

In a career that spanned eight seasons, Hall won seven races, accumulated 30 podium finishes and was crowned the 10th World Champion of the sport in 2019.

"If you want to be able to do most things in life, Lake Macquarie is your spot." - Matt Hall, World Champion Red Bull Air Racer
