### **Tree/s located wholly within property boundary**

- I/we, as owner of the land to which this application relates, consent to this application.
- I/we consent to authorised officers of council to access my/our property in order for them to process this application and determine compliance with any consent that the Council may issue. Access to my/our property may occur in my/our absence (s.118 EP&A Act 1979).

### **Tree/s located on common boundary line**

If the tree is located on the boundary between you and your neighbour, written consent from both parties is required.

- I/we are owners of the land to which this application relates and consent to this application.
- I/we consent to authorised officers of council to access my/our property in order for them to process this application and determine compliance with any consent that the Council may issue. Access to my/our property may occur in my/our absence (s.118 EP&A Act 1979).

### **Tree/s located on adjoining property**

You can apply for the tree to be removed on the owner's behalf, however written consent from the owner is required. If the application is to prune branches overhanging your property only, the adjoining owner's written consent may not be required.
